Some have inquired if the case of Provo City vs. Dr. Hannberg dismissed in the First District court yesterday was the one appealed from Justice was the one appealed from Justice Westerwood's court recently. It was Wedgwood's court recently. It was not. It was an old case the evidence for the prosecution of which is not now obtainable. Some of the other cases mentioned in the report were dismissed for the same reason. One of two were U. C. cases which were amnestied and through oversight were not before stricken from the locket.

Invalid 3 Years, Cured by Hood's

C. I. Hood & Co., Lowell, Mass.: Gentlemen:-1 am glad to tell you that I have been given good health by Hood's Sarsaparilla. For three years I was an invalid, suffering terribly from

Nervousness and Lameness. FI was so nervous I could not bear the least noise, and I had to walk with crutches for six months, as I could not put one of my feet to the floor. Physicians did not do me any good, so a friend told me to get Hood's Sarsaparilly, but

I Sald There Was No Use. \*However, after thinking the matter over, I de-cided to give it a trial, and have taken siz bottles of Hood's Sarsaparilla, and the re-sult is that I am well as any one could wish to be, and can do any kind of work. I advise all my friends to take Hood's Sarsaparilla for I believe it will do them good. Miss Susin Dodson, Colton, California.
